QUARTERDECK RESORT - NISSWA, MN

USEAGE & RESERVATIONS

Enjoy your Condo for up to 42 days every Summer (May 1st – October 31st) and up to 100 days during the Winter season. All owners are provided access to an online portal where they can book their Condo, review owner statements and see future guest reservations.

While there are limited blackout dates, once a guest has booked your Condo the resort will not move the guest, unless the guest is easily moved and agreeable to the move. Guests are allowed to book up to 50 weeks in advance. Owners are encouraged to book their Condo 13-18 months in advance. If an owner's Condo is not in use by guest, owners may book their Condo up to 24 hours in advance.

RENTAL INCOME OPPORTUNITY

Net room revenue is split 50/50 between owner and resort on a monthly basis. The amount of revenue you will receive as an owner is dependent on your personal usage pattern, the size and type of unit, the market conditions and other competitive factors. *Scan QR Code below to view draft Rental Management Agreement.*

RETURN ON INVESTMENT

As a Condo owner you are not purchasing an investment, but rather a vacation Condo that has a rental program available for you to take advantage of to decrease your total cost of ownership. We are prevented by law from making projections for yearly income from the Condos. We advise you consult with your financial advisor or tax professional.

OCCUPANCY GOAL

Quarterdeck Resort aims to achieve a 60% occupancy rate by 2025. The resort reported a 50% occupancy rate in 2023. The drivers of higher occupancy will be due to increased marketing budgets, improved marketing strategy, and additional resort amenities and activities. The brand new QD Social—featuring year-round outdoor pool, hot tub, sauna, game and fitness room—opened late October 2023. There will be additional amenities added in years to come.

RATES & MINIMUMS

Nightly rates vary between \$169-\$389/night for the studio unit (upstairs) and \$249-\$739/night for the 2 bedroom unit (main level). Nightly minimums are determined by season and occupancy, typically 2-5 nights.

Rates will increase between 10%-40% during various times of the year with dynamic pricing initiatives and other season extending and demand driving amenities. All rates and minimums are set by Quarterdeck Resort. *Scan QR Code below to view rack rates and nightly minimums. Please note these rates are subject to change.*
