REPUTABLE BUILDER

Founded in 1950, W. Gohman Construction is a family-run business rooted in our core values of teamwork, integrity, and commitment. While much has changed over the years, the most significant cornerstones of our business have not.

First and foremost, we're builders. Our tools, techniques and technology may have advanced over the years, but at the core, we are still creating places for people to live, work, and play.

With offices in St. Joseph and the Brainerd Lakes area, W. Gohman provides historic renovation projects through its sister company Artistic Stone & Concrete as well as single and multi-family residential projects through Creative Custom Builders.

TRUSTED MANAGEMENT

As a vacation home owner at Quarterdeck Resort, you benefit from a management model that is authentic, experienced, and locally owned and operated. Our team of hospitality professionals represent more than 175 years of hospitality, leisure and recreational industry experience.

The success we've built here is connected to the internal culture we've worked so deliberately to grow and foster. At its core, that culture is connected to a respect for our own employees, built upon hard work, having fun, rolling up our sleeves and building authentic relationships with our partners. It's all about #MoreFunOnGull.

USEAGE & RESERVATIONS

Enjoy your Loft for up to 42 days every Summer (May 1st – October 31st) and up to 100 days during the Winter season. All owners are provided access to an online portal where they can book their Loft, review owner statements and see future guest reservations.

While there are limited blackout dates, once a guest has booked your Loft the resort will not move the guest, unless the guest is easily moved and agreeable to the move. Guests are allowed to book up to 50 weeks in advance. Owners are encouraged to book their Loft 13-18 months in advance. If an owner's Loft is not in use by guest, owners may book their Loft up to 24 hours in advance.

RENTAL INCOME OPPORTUNITY

Net room revenue is split 50/50 between owner and resort on a monthly basis. The amount of revenue you will receive as an owner is dependent on your personal usage pattern, the size and type of unit, the market conditions and other competitive factors.

RETURN ON INVESTMENT

As a Loft owner you are not purchasing an investment, but rather a vacation unit that has a rental program available for you to take advantage of to decrease your total cost of ownership. We are prevented by law from making projections for yearly income from the Lofts. We advise you consult with your financial advisor or tax professional.

OCCUPANCY GOAL

Quarterdeck Resort aims to achieve a 60% occupancy rate by 2026. The resort reported a 50% occupancy rate in 2023. The drivers of higher occupancy will be due to increased marketing budgets, improved marketing strategy, and additional resort amenities and activities. The brand new QD Social—featuring year-round outdoor pool, hot tub, sauna, game and fitness room—opened late October 2023. There will be additional amenities added in years to come.

RATES & MINIMUMS

Nightly rates and minimums are determined by season and occupancy, typically 2-5 nights.

Rates will increase between 10%-40% during various times of the year with dynamic pricing initiatives and other season extending and demand driving amenities. All rates and minimums are set by Quarterdeck Resort.
